The donation asked for
may I think be given. The
present taxation is extremely
light. With the proposed
additional it would in no
way keep hard upon the
inhabitants of the place.
The financial condition of the Board
requires improvement, and
the measure proposed does
not seem open to objection

Office of the President of the Municipal

Chickmagalur 11th December 1903

From – M Narain Rau Esqure
President, Municipal Boards
Kadur District

To H V Nanjundayya Esqure M A Mrl.
Secretary to the Government of the Highness
the Maharaja of Mysore
General and Revenue Departments

Sir,

I have the honor to state that owing to
paucity of funds, it has not hitherto been
possible to carry out any sanitary improvements
in the Municipality of Tedehally. The question
of improving the resources of the Municipality
was therefore discussed by the Municipal
Board at its meeting dated the 19th March 1903
and the Board resolved to levy market fees
on carts and animals brought to the weekly
market there at the rates noted below ——

1 Cart laden per cart — a – 1 – a
2 Do unladen do ——— a – a – 3
3 Bullock, horse or ass of
laden, per head — a – a – 6

4 Do unladen - Do — a - a - 3

5 Head load per load — a - a - 1

6 Sheep or goat per head — a - a - 1

2 As the income from the proposed measure was estimated at about Rs 12/- only per annum, the levy of octroi on certain articles of consumption was suggested to the Board. At present the only article on which octroi is levied is cloth, and the average income from that source is Rs 8/-.

3 Accordingly the matter was discussed at the meeting of the Board on the 2nd August 1903 and they resolved to extend the levy of octroi to Betel leaves, Jaggery, Tobacco, Kerosene oil and other oils at the rates noted in the margin, the estimated income being Rs 22/-.

I (C) Betel leaves per bundle of 100 leaves	a - a - 1
(C) Jaggery, per maund	a - 2 - a
Tobacco, per maund	a - 8 - a
II (vi) Kerosene oil per tin	a - 2 - a
other oils per maund	a - 2 - a

4 - Copies of the Board's resolutions on the subject are herewith forwarded and I request that sanction may be accorded

to the introduction of these levies from the 1st February 1906 or from date of receipt of sanction
